

# PROJECT CLOVER

## Mission:

Provide quality meat products to local food pantries or soup kitchens while supporting 4-H youths involved in livestock projects

## Why Should You Help?

During tough economic times, many families can't afford protein enriched food especially meat. Project Clover connects 4-H members to the community by contributing a variety of quality meat products such as beef, lamb, hog, poultry, rabbits, and goats.

## How Does this Help 4-H Youth?

4-H members involved in livestock projects spend countless hours caring for their animals throughout the year. Livestock projects teach the youth about responsibility, organization, time management and good sportsmanship. 4-Hers are learning the skills necessary to be our future farmers, veterinarians, meat producers, and agricultural stewards.

## How Does Project Clover Work?

With monies collected from various organizations/individuals/businesses, Project Clover Committee Members will bid on livestock projects at a fair market price. Bidding will take place during the 4-H Livestock Sale held at the Armada Fairgrounds, Friday of fair week. The goal is to purchase at least one of each species, the more the better, and to provide as much variety to the food pantries as possible.

## Where will the Meat Go?

With the help of C-Roy's Meat Processing Inc. we will be able to donate meat to local food pantries such as St. Mary's of Armada or Richmond Community Food Pantry. We are always open to adding additional recipients/organizations in need.

## Benefits to Donors

- Tax Deductible
- Business/Name Recognition on Banner
- Business/Name printed on Project Clover T-shirts
- Article in 4-H Newsletter
- Certificate of Appreciation to display in business

## Levels of Donations

**\$50-\$199 Bronze Key Donor**

**\$200-\$499 Silver Key Donor**

**\$500+ Gold Key Donor**
